Engineering, Software
Professional, Private

About Me

I come from an upper middle class family. The most important thing in my life is family, religious believes, moral values & respect for elders. I love trekking, going on trips with family or cousins, long drives, travel, playing badminton & watching latest movies. I am a soft spoken, honest & talented person. I have a good job (Team lead in Accenture), decent salary & a nice house to live in. I think 5 years down the life I should be happily settled with my kids, a lovely soulmate with all the blessings of our parents & relatives
